John Norris secretary/treasurer, and Alice, James and Maria, Thesa Shepherd Canyon Friends started in 2003, canyon kiosk, Mike Lee, Tortuga Ct., worked in City retired, wife Carolyn, President Maria,

Shepherd/Tierrasanta Canyons next meeting in Jan. 10th routinely, the 2nd Thurs. Quarterly;

Yes, stakeholders support the trails, plan, and are anxious to get permitting and to build;

Eucalyptus, cull the euc. Forest, yes, a good thing to do

Gary, hauling brush management use his property, has a deck that gets stained, they have to cross his deck, little fence and gate; ; John and Cathaline informed Gary, Jolly Thesa, John Norris, Mike Lee, Gary Bezer;

- Shepherd, hillside erosion Gary came,

Highlight questions we want feedback on, Dishwasher Pond from Playa Vera Cruz, location with railroad tie, steps, got eroded and blown out and is approve for repair of RR tie steps,

Minutes

- Introductions: Eric, Thesa, James & Maria, John & Alice, Mike Lee (new member), Gary Bezer (new)
- MS: Ask John Hopper if we have Least Bell Verios and/or CA gnatcatchers in TS Canyons
- All: Review Shepherd Canyon Action Plan
 - EB: Will send questions
 - MS: Will survey members
 - Next available Open Space Meeting would be Jan 2019
 - Next FTC Quarterly Meeting Thurs. Jan 10, 2019
- MS requested EB renew our ROE
- **No new trails in Shepherd**, benches in orange lots of them showing up, Rec. Center has lots of benches;

With the exception of removal and culling of eucalyptus behind the Tierrasanta Recreation Center off of Clairemont Mesa Blvd., the FTC has not engaged in restoration of steep slope areas in Shepherd Canyon. Chaparral communities on the slopes are of good quality.

Near kiosk, redirected stream between kiosk and bridge is washed out section of the utility access rd., Waste Management, they can get to the covers; no new trails in Shepherd, benches in orange lots of them showing up, Rec. Center has lots of benches;
