Seeking a Habitat Restoration Field Supervisor Apply by May 1, 2018

San Diego Canyonlands (SDCL) is a growing non-profit dedicated to restoring and preserving San Diego County's wonderful canyons. SDCL, is seeking a **full time Habitat Restoration Field Supervisor** to manage field staff and volunteers in habitat restoration and stewardship of open space resources. Help recruit and develop grass roots friends (volunteer) groups for sustainable stewardship of natural lands. Primary tasks include training, supervision and management of field staff, planning and facilitation of volunteer events to further habitat restoration and stewardship goals, reporting on progress, and administrative duties.

Skill Sets and Experience

- A Bachelor's degree or equivalent work experience is required.
- Two years' experience in Habitat Restoration in San Diego plant communities or similar field of work is required.
- Knowledge of San Diego's native flora & fauna required.
- QAL or QAC herbicide applicator license is preferred, but not required.
- GIS knowledge and skills are preferred, but not required.
- Experience working with and facilitating volunteers is preferred, but not required.
- Experience supervising employees is preferred, but not required.

Submit resumes in Word or PDF only via e-mail by May 1, 2018 to:

- 1. eric@sdcanonlands.org and**
 - 2. miranda@sdcanonlands.org**
- Please no calls.**

Compensation: Wages will be \$20.00 per hour but are negotiable to a higher level commensurate with skills and experience.

San Diego Canyonlands, Inc. is an equal opportunity employer committed to a diverse workforce.
